Cancellation and No Show Policy

We understand that situations arise in which you may find yourself needing to cancel your appointment. It is requested that if you need to cancel your appointment, you provide a minimum of a 48 hour notice. Providing advanced notice enables us to offer your time slot to patients waiting to be seen. With cancellations made less than a 48 hour notice, we are unable to offer that slot to other patients.

Patients who fail to call in advance and who do not show up for their scheduled office visit or procedure will be considered a "NO SHOW". Patients who do not provide a 48 hour cancellation notice may be dismissed from the practice and will be denied any future appointments, until their case is reviewed by the provider first.

Please sign that you have read and acknowledged this cancellation and no show policy.
